

Finn, To-And-Fro

Do you just your release your tristesse?
Your worry is, is back in town
Do you just
Do you just release your tristesse?
You can't receive your love

Ohh...
Ohh...
Ohh...

Do you just your release your tristesse?
Your worry is back, is back in town
Do you just
Do you just release my tristesse?
My tristesse?

(Do you just release...
Do you just release...
My tristesse?)
