

# Fiona Apple, Across The Universe

[Written by John Lennon & Paul McCartney]

[Originally performed by The Beatles in the album "Let It Be"]

Words are flowing out like endless rain into a paper cup,  
They slither while they pass they slip away across the universe  
Pools of sorrow, waves of joy are drifting through my opened mind,  
Possessing and caressing me

Jai guru de va om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Images of broken light which dance before me like a million eyes,

They call me on and on across the universe,

Thoughts meander like a restless wind inside a letter box they

Tumble blindly as they make their way

Across the universe

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Sounds of laughter, shades of earth are ringing

Through my open ears inciting and inviting me

Limitless undying love which shines around me like a

million suns and calls me on and on

Across the universe

Jai guru deva om

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Nothing's gonna change my world

Jai guru deva [Repeat to fade]
