Fiona Apple, Please Come Home For Christmas

Bells will be ringing the glad, glad news Oh what a christmas to have the blues My baby's gone (my baby's gone) I have no friends To wish me greetings once again

Choirs will be singing silent night
Those christmas carols by candlelight
Please come home for christmas (please come home)
Please come home for christmas (please come home)
If not for christmas by new year's night

Friends and relations send salutations
Just as sure as the stars shine above (yes they do)
This is christmas, christmas my dear
The time of year to be with the one that you love

Then won't you tell me, you'll never more roam Christmas and new year (christmas and new year's) Will find you at home There'll be no more sorrow, no grief or pain I'll be happy (happy) that it's christmas once again.
