

# Fiore, Ameliorate

My sun will rise, your sun will set.  
I will try my hardest not to forget

In all the time that you have taught,  
I've learned how to not let it stop.  
My sun will rise, your sun will set.  
I will try my hardest not to forget  
that when you come back, it's back to work for me.  
You offered me a discount but i wanted it for free.

Ooooooh

I dont care what happens, as long as it benefits me.  
And it wont be long 'til I'm proven wrong  
I dont care what happens, as long as it benifits me.  
And you'll see, I'm wrong.

"I'll never get what is coming to me."  
Oh, I think you'll get just what you deserve.  
Dont shut your eyes to the whole outside world.  
You'll find it a lot easier if you just work.

Ooooooh

I dont care what happens, as long as it benefits me.  
And it wont be long 'til I'm proven wrong  
I dont care what happens, as long as it benifits me.  
And we'll see, I'm wrong.

From nine to five, fourty hours wont suffice.  
But I'll try to come in early, stay real late.  
Cause I need the pay.

I'll try.

I'll try.

I'll try.

I'll try.
