Fire Engine Red, Keep The Temple Pure

Keep the temple pure live life for the Lord I wanna live a sanctified life gonna keep the temple pure keep the temple pure your food should be Gods word the road to life is a narrow path keep the temple pure Jesus died to save us from our sins the eye is the lamp of the body to let the evil in keep the temple pure the righteousness will endure I never wanna quench the Holy Spirit gonna keep the temple pure Jesus sent us a Comforter cause God doesn't live in a dead old church we are the Body of the Lord keep the temple pure (X4) Christ said keep the temple pure go and sin no more I'm not gonna drink and I'm not gonna smoke I'm gonna keep the temple pure men can't serve both God and sin love the one and hate the other so don't give in keep the temple pure brothers I urge you more and more lead a quiet life and work with your hands be a witness to the world the media traps us with worldly things but if you love the world and the things of the world then you have no place in heaven Keep the temple pure live life for the Lord I wanna live a sanctified life gonna keep the temple pure keep the temple pure (X4)
