

# Fireflight, Brand New Day

I'm waking up  
The world is turning  
The sun is shining again  
I'm holding on  
To things I shouldn't  
It's time to let them go  
I've been on a losing streak  
Hit so hard I couldn't speak  
But when I hear Your voice it fades away

And I can hear You say  
It's a brand new day  
The pain goes away  
I'm headed for the door  
And I'm going home  
I'm going home  
I'm going home  
I'm going home

Your love, it burns  
Away my darkness  
You guide me when I'm blind  
You are the light  
That shines inside me  
Showing me I'm  
So much more  
When I've been on a losing streak  
Hit so hard I couldn't speak  
But when I hear Your voice it fades away

Take me into Your arms  
My home lies within Your heart
