

Fireforce, Combat Metal

Stand up and fight
Raise your fist into the air
We will take what we like
Join our forces and
Our brothers everywhere
We'll be together, tonight!

We've got the fire, we've got the force
We're always fighting, for the right cause
Combat Metal!
Combat Metal!
Combat Metal!

Battle ranks, repel the enemy
We are the saviours of the land
Spikes and chains, everywhere you see
Take the steel - United we stand - Hail!

We've got the fire, we've got the force
We're always fighting, for the right cause
Combat Metal!
Combat Metal!
Combat Metal!

We're coming your way!
We're coming your way
We will prevail!
Our power of steel
Will strike you down!
Join our forces!!!!
Combat Metal!
