

# Firehose, Locked-In

locked-in to a dream  
step by step  
crawling but static  
unchanged  
unchanged  
locked into emotion  
finely tuned  
aching to escape  
harmful, harmless  
unfounded  
unfounded  
locked-in to this world  
sinking in  
deeper, colder  
stiff with reality  
unclouded  
unclouded  
locked-in to the end  
hoping to find  
a dream, emotion, world  
tied together  
unending  
unending  
in the final moment  
in the final moment  
in the final moment in the final moment
