

Firehouse, I'd Rather Be Making Love

So many things that you could do with your life
There must be a million ways to waste away every night
But I've made up my mind about what I want to do
I want to spend my time for all the right reasons
Making love to you
'Cause I'm a lover not a fighter
I want to give you my affection everyday
You might think I'm crazy but I'm not gonna change
Some people were born to fight some to party and stay up all night
But I'd rather be makin' love
I've got a different kind a point of view
Don't give me politics don't give me the news
'Cause I'd rather be makin' love
Makin' love tonight
Now I've tried the night life and it's alright with me
But when I'm there there's always somewhere that I'd rather be
I've got my reasons I've really thought this through
I want to be right there together forever makin' love to you
Some people were born to fight some to party and stay up all night
But I'd rather be makin' love
I've got a different kind a point of view
Don't give me politics don't give me the news
'Cause I'd rather be makin' love
Makin' love tonight
