

Firevision, Caught In The Rain

Is it real, we're always the same
We're almost unknown now
Well I was caught in the rain
Wasting my time on the ground
Waiting the call, of what would you say?
Can you come over?
Well, I was caught in the rain
Wasting my time on the ground.

[Chorus]
It was you, who could get me high
With whatever you say
You're tell'n me something real
What we do, it doesn't matter now
Whatever it takes, for you to stay with me.

Trading thoughts, crossing the room
I saw you surrounded
I was caught in the rain
Wasting my time on the ground
Feeling this fall, without an escape
I almost let you down
I was caught in the rain
Wasting my time on the ground.

[Chorus]
It was you, who could get me high
With whatever you say
You're tell'n me something real
What we do, it doesn't matter now
Well I was caught in the rain
You make me feel
You make me feel
Make me feel

I was caught in the rain
Wasting my time on the ground
I was caught in the rain
Wasting my time on the ground
I was caught in the rain
Caught in the rain.
