

# Firevision, Caught In The Rain

Is it real, we're always the same  
We're almost unknown now  
Well I was caught in the rain  
Wasting my time on the ground  
Waiting the call, of what would you say?  
Can you come over?  
Well, I was caught in the rain  
Wasting my time on the ground.

[Chorus]

It was you, who could get me high  
With whatever you say  
You're tell'n me something real  
What we do, it doesn't matter now  
Whatever it takes, for you to stay with me.

Trading thoughts, crossing the room  
I saw you surrounded  
I was caught in the rain  
Wasting my time on the ground  
Feeling this fall, without an escape  
I almost let you down  
I was caught in the rain  
Wasting my time on the ground.

[Chorus]

It was you, who could get me high  
With whatever you say  
You're tell'n me something real  
What we do, it doesn't matter now  
Well I was caught in the rain  
You make me feel  
You make me feel  
Make me feel

I was caught in the rain  
Wasting my time on the ground  
I was caught in the rain  
Wasting my time on the ground  
I was caught in the rain  
Caught in the rain.
