

Firewater, Don't Make It Stop

use it don't lose it
cut it don't bruise it
do it don't say it
live it don't pray it
light it don't spark it
drive it don't park it
give it don't take it
baby don't make it stop

show it don't hide it
lift it don't buy it
love it don't leave it
feed it don't bleed it
live it don't write it
fuck it don't fight it
bend it don't break it
baby don't make it stop

try knock
keep hock
run walk
sing talk
make dream
paint scream
feel touch
see watch
get miss
drink piss
shage fake
baby don't you make it stop, don't make it stop
