

# Firewind, Escape From Tomorrow

The darkest side of your life  
Can understand the secret  
How you survive  
A crystal ball, by your side  
A frightful future now, you describe

Higher above  
A ball of fire about to fall

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive

The finest days of our lives  
There'll be no longer days  
For us to be alive  
The final chapter has been read  
The time has come to realize

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive

-Solo-

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive

Can't escape from tomorrow  
A hopeless time rising  
Can't escape from tomorrow  
Will we arrive
