

First Degree, Start To Try

I don't even know
It's all so long ago
She gave me a smile
It was a brief flash in my eyes
My brain felt like burned out
But she kept on telling me

Hey oh, hey oh, if you look into my eyes
Heyoh, hey oh, you'll be surprised
Hey oh, hey oh, won't you start to try

I don't recognized her glance
She tried to take me by her hand
I've been in a strange land
My head was sticking in the sand
I was lying on the ground of a dead sea
But she kept on telling me
