

# Fischer-Z, Haters

I hate you. And you hate me.  
I hate the world, so that makes three.  
Haters....Haters....Haters....Haters....  
You read my words. I read yours.  
They read our words. That makes four.  
Haters....Haters....Haters....Haters....  
I take notice. You take notice.  
They take notice. That makes three.  
Listeners.....Listeners.....Listeners.....Listeners

I like to sound big. You like to sound big.  
Bigggggger than I do so that makes two.  
Haters....Haters....Haters....Haters....  
Haters....Haters....Haters....Haters....
