Fischer-Z, Multinationals Bite

You're no anarchist You're not extreme. But you threaten them. With your dream.

So be careful. Multinationals bite bite bite. They'll destroy you. Overnight.

I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now).

You don't realise. The extent of their power. I can't help you. Anymore.

And you'll find out. Multinationals bite bite bite. They'll destroy you. Overnight.

I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now). I hear wardrums (Picking up pieces of blood for you, now).

There's no justice. Outside the law. They have governments Under control...
