

Fischerspooner, Just Let Go

Deep in this anatomy
Buried
Deep in this anatomy
Buried
All is determination,
To make it make sense
All is determination,
You can find it if you.
Just let go, just let go, just, let it go
Stripped to the core.
Robbed of ration,
Instinct gives rise.
Robbed of ration,
Audacious and precise.
The body lunges forward
Defeating time
You can find it if you
Just let go, let it go, just, let it go
Make it make sense
The violence of the gesture
Make it make sense
Cutting through space
Make it make sense
The face
The effort to be made
The face, the face, the face
The enemy
Just let go, let it go, just, let it go
