

Fischerspooner, You're My Disco

Fischerspooner - You're My Disco

Everybody goes dancin'
And I feel like staying at home...
It's time for romancing
And I turn the radio on.
Suddenly I hear your voice and I know
We gotta go on.
Saturday is calling me -
Baby, baby, can't you see?

You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
I don't wanna let you go.

From England to Tokyo
Paris won't let you go
From England to Tokyo
Paris won't let you go
From England to Tokyo
Paris won't let you go
From England to Tokyo
I feel so sexy tonight, baby
You're my disco
You're my disco
You're my disco
You're my disco
You're my disco

Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
Playin' on the radio
You're my disco
You're my disco
I don't wanna let you go.
