

Fish, Goldfish & Clowns

There are vampires in the park Mawgojzeta,
but I only hear the sound of dancing bears.
They're shooting stars in Warsaw
Mawgojzeta,
Mawgojzeta do you care?
Do you believe that anything that I could say
would sort your life out?
What's the difference?
Could you trust anybody with your heart
except yourself?
What's the difference?
Between sunsets and dawn, kings, queens and pawns, goldfish and clowns.
Between what's right and wrong can a love still grow strong,
What's the difference?
There are werewolves in these streets Mawgojzeta,
but you only hear me howling at the moon.
There's betrayals in the Tarot Mawgojzeta is it me,
or is it you?
Do you believe that everything I say is really true?
Well, what's the difference?
Don't you think everything's against us, that there's much too much to
lose.
Well, what's the difference?
Could you see everything I should have been and everything I could be,
what's the difference, between sunsets and dawn,
kings, queens and pawns, gold fish and clowns?
Between what's right and wrong can a love still grow strong,
What's the difference?
What is the difference?
There are vampires in the park Mawgojzeta,
but I only hear the sound of dancing bears.
They're shooting stars in Warsaw Mawgojzeta, Mawgojzeta do you care?
I know you believe that everything will work out alright, what's the
difference?
But is it a love or this a life I need?
That's the difference.
Between sunsets and dawn, kings, queens and pawns,
What's the difference?
Between goldfish and clowns can a love still be found
well, what's the difference? What is the difference?
Between playing away and playing at home
well, what's the difference? What is the difference?
What is the difference?
That's the difference, that's the difference that is between sunsets and
dawn, kings,
queens and pawns, goldfish and clowns
