

Fish, Hold Your Head Up

[Argent, "All Together Now" and/or "Hold your Head up"]
(R. Argent / C. White)

And if it's bad

Don't let it get you down, you can take it

And if it hurts

Don't let them see you cry, you can take it

Chorus

Hold your head up, hold your head up

Hold your head up, hold your head high

And if they stare

Just let them burn their eyes on you moving

And if they shout

Don't let them change a thing what you're doing

Chorus
