

Fish in a Birdcage, Rule #1 - Magic

There is magic in this room,
I don't know if you can see it,
There is magic in this room,
I don't know if you can feel it,

It's called love
Some call it love
love

I believe in myself,
I believe that we can make it,
I believe in all of you,
I believe that we can make this

Into love,
Some call it love
love

Pass it along, pass it along
I'm just the messenger,
Giving a wake up call,
Pass it along, pass it along,

I wanna speak to your soul,
This is our conversation starter,
for starters,

This is larger than the both of us,
You can't kill an idea,

There is magic in this room,
I don't know if you can see it,
There is magic in this room,
I don't know if you can feel it,

It's called love
Some call it love
love

It's called love
Some call it love
love

It's called love
Some call it love
love
