

Fish, So Fellini

Dance, dance, dance milady
Weave your spell
Take the floor milady
Catch a tiger by its tail
Catch this tiger by its tail

I caught your breath milady
Fell into your smile
Watched my own reflection
Swimming in your eyes
I was swimming in your eyes.

So Fellini! So Fellini! So Fellini!
Milady dance your dance.

I slide inside your body
You steal into my heart,
You used the key that I provided
Milady dance your dance,
Milady dance your dance,
Milady dance your dance,

Dance, dance, dance milady,
Milady weave your spell.
Take the floor milady
Catch this tiger by its tail
You caught a tiger by its tail,

So Fellini! So Fellini! So Fellini!
Milady dance your dance,
Milady dance your dance,
Milady dance your dance.
