

# Fishbone, Slow Bus Movin' (Howard Beach Party

&quot;Born in the 1940's, my parents couldn't vote,  
X and King were on a march for power true,  
Black power that is  
Panther's and their attitudes,  
sport fresh new business suits, yeh yeh.  
Stricken with determination to rise above a slave,  
the mayo men used firehoses  
to spray the monkeys back in their cages.&quot;  
Round and around and around they go  
The bus is goin mighty slow  
Brothers in the back seat  
Caucs in the front  
People gettin' hostile when I kill someone  
&quot;Well the overlords thought it would be a good idea  
to mix the Black with the White but if you're a fly in  
the buttermilk they'll chase you all through the night.  
So go ahead and burn your cross and rape our women in the night,  
'cause the day will come when your cream coated daughter  
is gonna be my wife.&quot;
