

# Fisher, Edge Of The World

At the edge of the world is a big tin wall  
Put it there when I was a child  
Trying to define - explain - infinity

Chorus

At the edge of the world  
At the edge of the world

At the edge of the world love is dangerous  
Nowhere to turn - front, side, back, around  
Nowhere to fall but into the arms of infinity

At the edge of the world  
At the edge of the world

Understand what you can not see  
Won't you please take a picture for me?

Alone on the edge I am wandering  
Trying to see over the side  
Tell me, will I see you there  
Dangling and reaching your hand to me?

At the edge of the world  
At the edge of the world  
At the edge of the world  
At the edge of the world
