

Fisher, You

It's late now
Time to sleep
Close your eyes
Go to dreams

Clouds on walls
And blue skies
Mommy's sun,
her moon, her stars

And you
You make me run
And you
You make me want to live

Your smiles
Well they make my day
You don't know it yet

But you're everything

This little song well
It's for you
These lovely years
here with you

And you
You make me run
And you
You make me want to live

And you
You make me run
And you
You make me want to live
For you
