

# Fitz And The Tantrums, I Just Wanna Shine (pios)

I just wanna shine  
Like the sun when it comes up  
Run the city from the rooftops  
'Cause today's gonna be my day  
I just wanna climb  
To the top of a mountain  
Standing tall when I'm howling  
'Cause today's gonna be my  
day's gonna be my  
Day's /5x

Goodnight stress  
I'll see you in the morning  
I don't gotta guess  
You're always there for me  
Sowing them seeds of doubt  
I think you like seeing me freak out  
Goodnight stress  
I'll see you in the morning

So wake up  
I get out of bad, stay up  
Stay out of my head  
Cause it's dangerous  
And i don't wanna lose my mind, no

I just wanna shine  
Like the sun when it comes up  
Run the city from the rooftops  
'Cause today's gonna be my day  
I just wanna climb  
To the top of a mountain  
Standing tall when I'm howling  
'Cause today's gonna be my  
day's gonna be my

I jut wanna shine  
Like the sun when it comes up stay out of my head  
Cause it's dangerous  
And i don't wanna lose my mind, no

I just wanna shine  
Like the sun when it comes up  
Run the city from the rooftops  
'Cause today's gonna be my day  
I just wanna climb  
To the top of a mountain  
Standing tall when I'm howling  
'Cause today's gonna be my
