

# Fitzgerald Patrik, Mystery

We're so presumptuous  
Presuming that we all  
Exist at all.  
Marvelling at our own mystery.  
We're so presumptuous  
Presuming that this all  
Means anything at all  
Marvelling at our own  
Marvelling at our own mystery.  
Mystery.  
Abusing our privilege  
Ruining the scenery  
Marvelling at our own  
Marvelling at our own  
Marvelling at our own  
Mystery  
Marvelling at our own  
Mystery.Mystery.  
Mystery.Mystery.
