

Fitzgerald Patrik, Waiting For The Final Cue

I'm burried in a pit
Pendulum is my heart
Swinging back and forth
Swinging back and forth
I remember when it started
I'll notice when it stops
Meanwhile, i must listen to it
Swinging back and forth
Swinging back and forth
I'm burried in a pit
This pit is nowhere
There's nothing here for entertainment
There's nothing here that's new
There's only the beat-a-beating heart
There's only the beat-a-beating heart
There's only the beat-a-beating heart
Waiting for the final cue.
