

Fiurach, Om Mani Padme Um

-(The King)-

"A thousand years has passed,
now the time is right,
the hour of doom is approaching.
i scream the First Chaos Formula
Hordes of Fire, Lightning Hosts,
Wrathlords and Vrills,
I mould you from infernal magma
and order you to raise from the dead,
Now praise reverential the eminence
of your lord, king and creator.
All your blood for my triumph"
OM MANI PADME UM
