

Five Count, Psychotic Reaction

I feel depressed, I feel so bad
'Cause you're the best girl that I've ever had
I can't get your love, I can't get a fraction
Oh, little girl, psychotic reaction
And it feels like this!

I feel so lonely night and day
I can't get your love, I must stay away
Well, I need you, girl, by my side
Oh, little girl, would you like to take a ride now?
I can't get your love, I can't get satisfaction
Oh, little girl, psychotic reaction
