

# Five Finger Death Punch, Hate Me

It's not enough, it's not enough  
It never was or will be  
I never had a chance to thank you  
FOR RIPPING OUT MY HEART!  
It's not enough, it's not enough  
It never was or will be  
I never had a chance to say  
FUCK YOU!

I don't want to be your tourniquet  
For minor lacerations  
Don't wanna be your Romeo  
Because you're no Goddamn Juliet  
you always did know just what to say  
Insult and injury  
YOU JUST LOVE TO HATE ME!

It's not enough, it's not enough  
It never was or will be  
I never had a chance to thank you  
FOR RIPPING OUT MY HEART!  
It's not enough, it's not enough  
It never was or will be  
I never had a chance to say  
FUCK YOU!

You've got a gun, i've got a gun  
Let's write a tragic ending  
Don't wanna be this way again  
Don't wanna be the one to blame  
you can have the high roads  
I'll take the roads, disguise the frailty

I JUST LOVE TO HATE YOU!

YOU JUST LOVE TO HATE ME!

It's not enough, it's not enough  
It never was or will be  
I never had a chance to thank you  
FOR RIPPING OUT MY HEART!  
It's not enough, it's not enough  
It never was or will be  
I never had a chance to say  
FUCK YOU!
