

Five Finger Death Punch, Never Enough

I'm so fed up with everyone around me
No one seems to care
I'm just so far gone that nothing's gonna change
I'll never be the same
It's always do this, do that everything they want to
I don't want to live that way (NO!)
Every chance they get they're always
Pushing me away

It's never enough, no
It's never enough
No matter what I say
It's never enough, no
It's never enough
I'll never be what you want me to be

It's all so messed up that no one ever listens
Everyone's deranged
It's just so fucked up that i'm never gonna change
Or lay it all to waste
It's always say this, say that nothing that you want to
I don't want to live that way (NO!)
Every chance they get they're always
Pushing me aside

It's never enough, no
It's never enough
No matter what I say
It's never enough, no
It's never enough
I'll never be what you want me to be

I'M DONE!

In the end we're all just chalk lines on the concrete
Drawn only to be washed away
For the time that i've been given
I am what i am

I'd rather hate you for everthing you are
Than ever love you for something you are not
I'd rather you hate me for everything i am
Than have you love me for something that i'm not

It's never enough
It's never enough
No matter what I say
It's never enough, no
It's never enough
No matter what i try to be
It's never enough, no
It's never enough
No matter how i try to change
It's never enough, no
It's never enough
I'll never be what you want me to be
