

# Five Finger Death Punch, The Bleeding

[V1:]

I remember when all the games began  
Remember every little lie and every last goodbye  
Promises you broke, words you choked on  
and I never walked away,  
it's still a mystery to me

[Pre-Chorus:]

Well I'm so empty  
I'm better off without you and you're better off without me  
Well you're so unclean  
I'm better off without you and you're better off without me

[Chorus:]

The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, deceiving, the beatings; it's over

[V2:]

Paint the mirrors black to forget you  
I still picture your face and the way you used to taste  
Roses in a glass, dead and wilted  
To you this all was nothing  
Everything to you is nothing

[Pre-Chorus:]

Well you're so filthy  
I'm better off without you and you're better off without me  
Well I'm so ugly  
You're better off without me and I'm better off alone

[Chorus:]

The lying, the bleeding, the screaming  
Was tearing me apart  
The hatred, deceiving, disaster; it's over

As wicked as you are, you're beautiful to me  
You're the darkest burning star, you're my perfect disease

[Chorus:]

The lying, the bleeding, the screaming  
Was tearing my apart  
The hatred, deceiving; it's over  
Disaster  
The lying, the bleeding, the screaming  
Was tearing my apart  
The hatred, deceiving; it's over  
Disaster

It's over now...
