I'm over it, so over it, this is goodbye! I'd give anything just to cut you free I'd give blood just to make you Just to watch you bleed!

I know you better than you do I'm to fucking blame, so are you It won't kill me to watch you leave What the fuck do you want from me?

I'm over it, so over it, this is goodbye I'd give anything just to cut you free I'd give blood just to make you Just to watch you bleed!

Just to make you, just to watch you Just to make you, just to watch you Bleed

I'd give anything, just to cut you free I'd give blood, just to make you Just to watch you bleed!

I'd give anything, just to cut you free I'd give blood, just to make you Just to watch you bleed!

I'd give anything, just to cut you free I'd give blood, just to make you Just to watch you bleed!
