

# Five Foot Thick, Prozac

Who the fuck are you!?!

the question is now who the fuck are you  
your looking good ? your eyes are black n blue  
so step and and enjoy a LITTLE TASTE  
im gonna whipe dat smile right off your face  
(?) for you to chose or either way your gonna lose  
youll search n search for something youll never find  
(?) father time (?) to pleads the 5th free to chose  
well thats a fucking myth now watchu see when your laying upon  
your back well step back dont need no more yo slack

my mama said that thered be days like dis and now im left so  
watchin my angry fists its wat you get its watchu get man its on  
its over too (?) straight at you  
you aint fine man trippin outta yo mind sit back relax  
now take your fucking prozac you aint fine man trippin outta yo  
mind sit back relax now take your fucking prozac you aint fine  
man trippin outta yo mind

get dis sugar and spice and every thing nice so step back and dont make  
me tell you twice to get your raps right out of my fucking face b4  
i put you right back in your god damn place  
you walk around with (?) arrogance (?) ignorance  
im freaked out and i got chu on this year right over (?)

my mama said that thered be days like dis and now im left so  
watchin my angry fists its wat you get its watchu get man its on  
its over too (?) straight at you  
you aint fine man trippin outta yo mind sit back relax  
now take your fucking prozac you aint fine man trippin outta yo  
mind sit back relax now take your fucking prozac you aint fine  
man trippin outta yo mind you aint fine man trippin outta yo fuckin mind
