

Five for Fighting, Easy Tonight

You were wrong
You were right
And you are gone Tonight
You were free So alive
You were wrong You were right
And you were down
You could see
And you wore hearts for me
And you were sharp Sharp as knives
You were wrong You were right
Shot down said you never had the chance
Took a ride on a suicide romance
Could have sworn there was somebody home
To facilitate the great unknown
Oh woman, I ain't going to meet you anywhere
Dont know where Im going yet,
But I sure am getting there
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No, It's not easy tonight
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No, It's not easy tonight
You were bound You were free
You wear black for me
You were dark As Dark as night
You were wrong Yet you were right
Shot down said you never had the chance
Took a ride on a suicide romance
Could have sworn there was somebody home
To facilitate the great unknown
Oh woman, I ain't going to meet you anywhere
Dont know where Im going yet, no
But I sure am getting there
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No, It's not easy tonight
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No, It's not easy tonight
She's In over my head
And it's not easy, it's not easy tonight
She's In over my head
And it's not easy, its not easy tonight
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No It's not easy tonight
Shotgun fire anybody home
I got two dimes in the telephone
Alright?
No It's not easy tonight
You were free Now your not
You were free babe
