## Five for Fighting, Easy Tonight

You were wrong

You were right

And you are gone Tonight

You were free So alive

You were wrong You were right

And you were down

You could see

And you wore hearts for me

And you were sharp Sharp as knives

You were wrong You were right

Shot down said you never had the chance

Took a ride on a suicide romance

Could have sworn there was somebody home

To facilitate the great unknown

Oh woman, I ain't going to meet you anywhere

Dont know where Im going yet,

But I sure am getting there

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No, It's not easy tonight

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No, It's not easy tonight

You were bound You were free

You wear black for me

You were dark As Dark as night

You were wrong Yet you were right

Shot down said you never had the chance

Took a ride on a suicide romance

Could have sworn there was somebody home

To facilitate the great unknown

Oh woman, I ain't going to meet you anywhere

Dont know where Im going yet, no

But I sure am getting there

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No, It's not easy tonight

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No, It's not easy tonight

She's In over my head

And it's not easy, it's not easy tonight

She's In over my head

And it's not easy, its not easy tonight

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No It's not easy tonight

Shotgun fire anybody home

I got two dimes in the telephone

Alright?

No It's not easy tonight

You were free Now your not

You were free babe
