

# Five for Fighting, Sad October

ISAIAH 56:1

Me oh my,  
There's something happening in the sky.  
I see my favorite face,  
It chokes me up so fiercely,  
And I'm filled with your light,  
Soaked with your grace,  
I'll dance all night,  
I've got to say goodbye.

Chorus:

There's something happening in the sky,  
Me oh my!  
I recall that I'm yours now I'm feeling fine,  
Me oh my, you're mine.  
I sense a coming reign,  
A hand to hold the nations up in peace.  
The sun smiles down and warms our hearts,  
It's happening in the sky
