

# Five, Human

Human (The Five Remix)

I'm only human  
of flesh and blood, I'm made

Human ... born to make mistakes  
If 5 boys in da house say it loud  
If 5 boys in da house check it out  
(2x)

Come on baby dry your eyes, wipe your tears  
Never like to see you cry, please forgive me  
I wouldn't ever try to hurt you  
I just needed someone to hold me  
To fill the void while you were gone  
to fill this space of emptiness

CHORUS

If 5 boys in da house say it loud  
If 5 boys in da house check it out  
(2x)

When I lay upon my bed reminisce then I wish  
that I got you by my side with the cherry red kiss  
hit me off make it soft hold me tight through the night  
You know I'm gonna fight cos the thing we had was right

But if you go all I know I can't go a day without you  
Here in my arms hypnotized with your charms now  
I'm feeling for you baby ain't you hearing the alarms  
You can't stop all the love that I got

Wanna rewind time to better days that were hot check it  
bring back the better days for me baby  
You gotta bring em back cos I'm going crazy  
I go insane with your name up in my brain

Things will never be the same you ain't up in my frame  
So what you gonna do what you gonna say  
Tell me that you're gonna push your loving back my way

CHORUS

If 5 boys in da house say it loud  
If 5 boys in da house check it out....
