

Five Iron Frenzy, Far, Far Away

Staring at the shoreline
wishing for some hope
the weight of empty fishing nets
is more than twisted rope
And underneath stern faces
they wait with baited breath
with broken hearts from hoping
while casting out their nets
See the figure on the shore
He speaks His words like plain men sing
His hands they still have holes in them
glory to the King

chorus
Can you hear the bells are ringing
far, far, away?
Can you hear the voices singing
far, far, away?

And Peter was a liar
a traitor just like me
and Judas was a hypocrite
and Paul a Pharisee
When truth can be so distant
and hope evades our reach
Peter swam across the water
and found it on the beach

chorus
Can you hear the bells are ringing
far, far, away?
Can you hear the voices singing
far, far, away? (repeat 2x)
I know that one day soon a song shall rise
You'll hear it with the sleep still in your eyes

I hear they'll hang you upside down
stretched across two boards
for hearing distant voices
and crossing to the Lord.

chorus
Can you hear the bells are ringing
far, far, away?
Can you hear the voices singing
far, far, away? (Repeat 2x)
I know that one day soon a song shall rise,
you'll hear it with the sleep still in your eyes.
