

# Five Iron Frenzy, Omnivores For Mediocrity

Keith is a vegetarian.  
Not vegan 'cause he drinks his dairy and,  
He's not like me who also eats meat.  
He protests the war with the sandals on his feet.  
Omnivores for mediocrity! (several times)  
Helpless vegetables are trapped,  
For killing only them you should be slapped.  
At least a cow can run and be free.  
Omnivores for mediocrity.
