

Five, Until The Time Is Through

Now and forever
Until the time is through

I can't believe it
I don't know where to start
No baby
So many questions
Deep inside my heart

Bridge:
Give me a moment before you go
There's something you ought to know

Chorus:
Baby now and forever
Until the time is through
I'll be standing here
Waiting will never
Give up my faith in you
Trying to make it clear
Without your love I'd be half a man
Maybe one day you'll understand
Now and forever
Until the time is through

I'll be waiting

How can I tell you
So that you can see
You know that
Love has a meaning
When you are here with me

Bridge

Chorus

There is no one to comfort me
Here in my cold reality
I'm searching for words
What can I say
To make you see

Baby now
Until time
Is through
I'll be here
(x2)

Baby now and forever
Until the time is through
I'll be standing here
Waiting will never
Give up my faith in you
Trying to make it clear
Without your love I'd be half a man
Maybe one day you'll understand
Now and forever
I'll be here for you
Until the time is through
