I can't stand off it

Saturday morning the sun is high so I can underline All of my hopes to get out from my tears So I, I can brighten Will be sunshine in me I'm living a life inside a broken life Will be sunshine in me I'm living a life inside a blinding life {2X} I can't stand off it I'm turning around the same thoughts behind I can't stand off it I'm turning around the same thoughts behind Everyday morning I can play with the sun but I see you again I wanna forget all your lies so I can go ahead, so I am Will be sunshine in me I'm living a life inside a broken life Will be sunshine in me I'm living a life inside a blinding life {2X} I can't stand off it I'm turning around the same thoughts behind

I'm turning around the same thoughts behind
