Flapjack, Human Upholstery

I'm feelin' lika junkie I'm talkin' to ya brother I'm feeling lika stupid boy who doesn't know what matter your skin's so tawny from the regular solarium session, your

sweet complexion need some more supplies of make-up your body's your eyes are senseless? Yo sirloin that tastes so good

but when the meat's burnin' it ain't smells that good u take care of your

body, your spirit' asleep u take care of your wardrobe It's a human upholstery, where's your spirit?
