

# Flashlight Brown, A Freak

We woke up one Sunday morning  
Bought a thousand dollar van  
Picked the boys up on the west side  
Now I don't know where I am  
But tonight would have gone way smoother had we had more beer

Bugged off to find a grocery store  
Get a 40 and some gum  
Feeling lonely got a girly mag  
A little gloss to keep me warm  
But tonight would have gone way smoother had we had more beer

Now Mikey's lost  
Poor Tim is trapped in conversation  
And Fil was saved  
By all our constant aggravation

Hey there Bucky did you see that show?  
Hey there Merch Face did you see?  
We'll make sure to come this way again  
We'll make sure you get in free  
But tonight would have gone way smoother had we had more beer

I saw Gullage at the show last night  
She said we played her favourite song  
Some fat kid told me we saved his life  
What the hell is going on  
But tonight would have gone way smoother had we had more beer
