

Flashlight Brown, On & On

Hey there little dirty smelly hippie dirty smelly hippie whatcha gonna do?

Filthy, noxious, fragrantly obnoxious
Grateful deadly lice and fungal medley.

On and on the trip goes on a touch of gray to light the bong.
Dirty, stinky, feeling kinda kinky.
Flower power, jesus take a shower.

Activist and idealist man I'd love to throw a fist
Tie dye anything
Buy another mood ring.
