

Flashlight, On And On

Hey there little dirty smelly hippie dirty smelly hippie whatcha gonna do?

Filthy, noxious, fragrantly obnoxious
Grateful deadly lice and fungal medley.

On and on the trip goes on a touch of gray to light the bong.
Dirty, stinky, feeling kinda kinky.
Flower power, jesus take a shower.

Activist and idealist man I'd love to throw a fist
Tie dye anything
Buy another mood ring.
