FLATCAT  
BETTER LUCK NEXT TIME

When you told me that the curtain would fall  
Just couldnt believe what I heard  
We would last forever  
But that came to an end  
Cuz you dont even miss me!  
Forever reached a limit  
After what you just said  
You just said

Its OK. I'll be just fine  
Guess I'll have better luck next time  
Its OK. I'll be just fine  
Guess I'll have better luck next time

Goin' out of my mind  
There is no cure  
I think I'm loosing my senses  
And I feel like crying  
But I wont shed a tear  
Cuz then you'll say that I'm pathetic  
Forever reached a limit  
After what you just said  
You just said

Its OK. I'll be just fine  
Guess I'll have better luck next time  
Its OK. I'll be just fine  
Guess I'll have better luck next time

I start to think and punch my fist against the wall  
Wondering why I tried so hard?  
It would never work out anyway  
There was I time where I found comfort in your soul  
But those days are long gone  
those days are longe gone

Its OK. I'll be just fine  
Guess I'll have better luck next time  
Its OK. I'll be just fine  
Guess I'll have better luck next time

better luck next time  
better luck next time  
better luck next time
