

# Flatcat, Dodging The Bullet

FLATCAT

DODGIN' THE BULLET

who ever thought that this would happen?

Feelings won from common sense  
and that really makes me scared!

You look at it as a betrayal,  
but with your theory  
You dissappoint the ones who really cared

Now it seems to start allover,  
We're dodging the bullet again  
I'm so tired, our friendship expired  
And I guess that you feel the same
