

# Flatt And Scruggs, Faded Red Ribbon

A lock of your hair and a faded red ribbon is all I have left to remind me of you  
A lock of your hair and a faded red ribbon is all I have left of a love we once knew

Is all I have left of a love we once knew  
I know I mistreated you and you went away  
You found somebody new and now I must pay  
Listen here boys if you have a sweetheart  
Show her you love her and make her your wife  
For the lock of her hair and a faded red ribbon  
Will make you unhappy for the rest of your life  
Will make you unhappy for the rest of your life

A lock of your hair...
